RENTAL TERMS AND CONDITIONS

1. **Parties; Renting.** All references to MBCI refer to Cornerstone Building Brands (hereinafter "MBCI" or "MBCI"). MBCI and Customer (named on the face hereof) may sometimes collectively be referred to herein as the "parties." MBCI rents to Customer and Customer hires from MBCI the tools or equipment (the "Equipment") described on the face hereof.
2. **Binding Effect.** The following terms and conditions (the "Terms and Conditions") shall apply to any and all equipment leases between MBCI and the Customer and shall not be waived, modified or amended without the express written consent of the MBCI's President or Executive Vice-President. Terms contained within any other purchase order, service order or other agreement issued by Customer conflicting with these Terms and Conditions shall be of no force and effect. All leases by MBCI of any nature to Customer shall be made under the provisions of this Agreement. Any documents that Customer may use for its convenience including, but not limited to, purchase orders, services orders or lease acknowledgement forms, shall be deemed to be for the administrative convenience of Customer only, and this Agreement as well as the terms and conditions as stated in MBCI's invoices and bills of lading shall supersede and take precedence over any of Customer's terms and conditions which may be contained on any such forms. Further, should MBCI act upon this Agreement without first obtaining Customer's signature on a purchase order, service order or similar instrument, Customer hereby irrevocably agrees to be bound by these Terms and Conditions to the exclusion of any contrary terms and conditions proposed by Customer. All orders or leases are subject to approval and acceptance by MBCI. CUSTOMER SPECIFICALLY AUTHORIZES MBCI TO FILL IN ANY BLANKS IN ORDER TO REFLECT THE PARTIES' AGREEMENT AND CORRECT ANY APPARENT ERRORS. CUSTOMER ACKNOWLEDGES RECEIPT OF A TRUE COPY OF THE RENTAL AGREEMENT WITH BLANKS FILLED IN TO CUSTOMER'S SATISFACTION.
3. **Payment.** Payments due MBCI under the terms of this lease and any other money due MBCI by Customer shall be paid to MBCI in U.S. dollars at its Houston, Harris County, Texas office. Unless otherwise agreed in advance and in writing by MBCI's Credit Department, rental payment for the Equipment under this Agreement shall be due and payable in full, without set off or offset for any reason, upon receipt of MBCI's invoice. MBCI reserves the right to change the terms of payment as stated herein at any time for any reason at the sole discretion of MBCI without prior written notice to Customer. Unless specifically enumerated on the face hereof, the rental price does not include any taxes (including excise, privilege, occupation, use, sales, etc.; Federal, State or local) or costs of shipment. All Equipment leased hereunder are leased F.O.B. MBCI's plants.
4. **Term of Rental; Termination.** Rental charges commence when the equipment arrives/delivers and cease when the Equipment is returned to MBCI's location in as good condition as when received, ordinary wear and tear excepted, and Customer shall pay for repairs or replacements of all parts damaged by misuse or for all damage done; and Customer shall remain liable for rental hereunder until repairs or replacements to the unit have been completed. Customer may terminate this Rental Agreement at any time by notifying MBCI when Customer wishes to return the Equipment, with such termination effective upon the return of the Equipment to MBCI, at Customer's sole expense. MBCI may terminate this Rental Agreement for any reason whatsoever (including for convenience) upon twenty-four (24) hours notice in writing to Customer and repossess all items of Equipment wherever they may be found, but Customer shall nevertheless remain liable for all its obligations hereunder through termination and for all sums then due and unpaid, plus a reasonable amount for attorney's fees and such expenses as may be expended in the repossession of the Equipment. The remedies provided herein in favor of MBCI shall not be deemed exclusive, but shall be cumulative and in addition to whatever other remedies MBCI may have at law or in equity. Customer's indemnification, hold harmless and repair obligations will survive termination of this Rental Agreement.
5. **Return of Equipment; Holding Over.** Upon the expiration or termination of the Rental Agreement, Customer shall, unless otherwise directed in writing by MBCI, deliver the Equipment to MBCI at the address for MBCI from which the Equipment was sent at the commencement of the rental. Any expenses relating to the return of the Equipment to MBCI shall be borne by Customer, including, without limitation, any costs incurred by MBCI in connection with removal of the Equipment. If the Customer retains possession of the Equipment beyond the date of anticipated return indicated on the face hereof or any later date agreed to in writing by MBCI as the expiration of the Rental Agreement, then all terms and conditions of this Rental Agreement shall continue unchanged and the Customer shall continue to pay the agreed to rental rate(s) on the face hereof until the Equipment is returned to MBCI in accordance with the terms and conditions stated herein. In addition to the foregoing, MBCI may also elect to charge Customer for the declared value of the Equipment indicated on the face hereof, in which case the Customer shall be obligated to pay such amount to MBCI within ten (10) days of date of invoice thereof (and such payment shall otherwise be subject to the terms of Section 3 above) and ownership of the Equipment shall transfer to the Customer upon the payment in full of both such declared value and any other amounts then owing under this Rental Agreement to MBCI.

Delays in receiving equipment and any additional freight charges due to shipping address errors will be the customers' responsibility. Customer is also responsible for providing sufficient and proper lifting equipment and/or man-power to unload the seaming equipment upon arrival and to reload the seaming equipment when returning same. Failure to provide sufficient and proper lifting equipment and/or manpower may result in rescheduling delivery/pickup of equipment which may result in additional freight charges, including but not limited to, rescheduling and lift gate charges.
7. **Absence of Encumbrance or Unauthorized Use.** Customer shall not grant any lien or security interest in or otherwise encumber this Rental Agreement or the Equipment, nor permit any other person to use the Equipment without MBCI's prior written consent. Customer shall promptly reimburse MBCI for all such amounts with interest at the maximum legal rate. Upon request by MBCI, Customer shall immediately execute and deliver to MBCI UCC-1 forms for recording in the proper government offices.
8. **Costs of Collection.** If an invoice becomes past due, is placed in the hands of an attorney for collection, if collected by any legal proceedings, or if this Agreement is relevant to any other dispute between the parties, in addition to any other amounts and damages recovered by MBCI, Customer agrees to pay MBCI any and all attorney's fees and costs incurred in the collection of sums (which includes, without limitation, costs incurred in litigation, copying and mailing expenses, lien fees, lost management time, inspection expenses, and expert witnesses expenses in addition to taxable costs incurred in litigation) owed by Customer to MBCI on account of principal, interest or other charges, which attorneys' fees shall not be less than thirty percent (30%) of the total amount payable.
9. **No Sale or Security Interest Intended.** This Agreement constitutes a lease of the tools or equipment described on the face hereof and is not a sale or the creation of a security interest in the leased property. MBCI at all times retains sole ownership and title to the leased property, and Customer does not have and will not have, at any time, any right, title or interest in the leased property, except the right to possession and use as provided in this Agreement.
10. **Authorization for Credit History.** The Customer or undersigned individual who is either the credit applicant or a principal/agent of the Customer, recognizes that a credit history report may be a factor in the evaluation of the credit history of the Customer. 11. **Customer Responsible for Accuracy of Order/Delivery.** Customer hereby assumes responsibility for the accuracy of verbal orders unless written confirmation is received prior to fabrication. In the event of such cancellation, Customer agrees to pay MBCI for any and all costs and damages occasioned by the cancellation hereof.
13. **Condition of Equipment; No Warranties; Disclaimer.** It is agreed and understood that Customer has carefully inspected the Equipment and accepts the same in good condition and that Customer agrees that the Equipment is free from any defect and is properly and carefully assembled. MBCI's plant (transportation, redesign, dismantling, disposal of material and installation are not included), or repair of defective parts. The Customer shall be entitled to the foregoing remedy only if (i) the defect was not caused by Customer, (ii) the Customer notifies MBCI of the defect within five (5) days after delivery of the Equipment to Customer (which the Parties agree is a reasonable time), and (iii) all amounts owing to MBCI under this or any other agreement with MBCI must be fully paid.
