IGLOO WHITE\* ★

### Final color selection should be made from metal color chips.

- See product selection chart for gauge and color availability.
- Heavier gauges, narrower widths and embossing minimize "oil canning."
- Review the sample warranty for complete performance attributes and terms and conditions.
- For locations outside the continental USA and Canada, please inquire.

Qualified

# Applied FINISHES

## TUFF COTE® FIBER-REINFORCED POLYMER COATING FOR TUFF WALL™ OR TUFF-CAST® PANELS ONLY

Optional finishes for  
CF Architectural, CF Mesa,  
Striated, Santa Fe, 7.2 Insul-Rib™  
and LS-36™ (wall only) panels.

**NOTE:** These finishes require  
the exterior skin of the panel to  
be manufactured from coil with  
a matta matte finish of the same  
color as the applied finish.

\* Light Stone Tuff Cote® does  
not match Light Stone siliconized  
polyester color offerings.

### Standard Stocked

TEXTURED WHITE
